Mrs. Cooper's Weekly Class Newsletter

DEAR 3RD GRADE FAMILIES

Graded math papers went home last week. English and Reading grades are in their notebooks that they keep in the classroom. Since the internet was down last week, I was unable to print out the rest of the grades, but I will send them home this week. Grades are inflated right now because we are doing everything together in class. We will slowly be weaning off of this, and so grades will most likely reflect this as we move through the year.

Midterm grades will go home on Monday, September 16th.

MATH TEST on Wednesday. Practice test going home today. Social Studies quiz moved to Thurs to avoid conflicting with Math test.

I hope you all can make it to the Sock Hop at the Soda Shop this Friday! It goes from 5:30-7 and students can wear their 1950's style outfits to school this Friday. Hot dog and chili dog dinners and ice cream will be served, and there will be games, dancing, and contests!

ACADEMICS

In Math we are reviewing for the test. We will begin the 2nd chapter on Thurs.

In Reading, we are continuing our novel study of Stone Fox. We are discussing how to stop and check for comprehension as we read.

I administered the Spelling pre-assessment last week and the correct materials have been ordered for each student, based on their understanding of spelling patterns. When they arrive, we will begin the spelling program.

If you haven't done so yet, log onto the Accelerated Reader website to keep track of how your child is doing on their comprehension quizzes.

STUDENT OF THE WEEK:

Oren maintains a positive attitude, and his participation in class discussions is always on-topic and meaningful. Thanks for paying attention in class and sharing all of your ideas, Oren!
